FLIXTON PRIMARY SCHOOL

Thursday 19th March

Dear Parents,

Following yesterday's announcement from the Government, **school will be closing at the end of tomorrow** for an indefinite period of time. We are aware that Government has asked schools to remain open, where possible, for particular groups of children and we are working with other schools and the local authority to clarify what this will look like in reality. As soon as we have more information, we will let you know.

Please ensure you have checked your child's login to the Pupil Area on the website. We also included a Purple Mash login on the sheet last night. Purple Mash is an interactive website that your child will be directed to in Home Learning tasks by teachers. There is more information on the Learning at Home tab on the school website.

There is also a one question survey on the School Spider app. It would help our forward planning enormously if you could take a second to answer it.

We appreciate your patience at this time. Thank you for your understanding, and stay safe.

J Redmond
Headteacher
